*All are currently invited to become Patron Members of the Eastern US Pipe Band Association. You're early membership will provide continuity in your receipt of our official publication, the VOICE; as well as to provide a better communication pathway between our association and your games.*

*As part of our improved patron membership package, an individual membership will be given.*

*Patron Membership includes score sheets as described in the Sanction Request Package, address labels (if required), and all other necessary documents required for sanctioning.*

*Branch affiliation will be the same as the branch providing your monitors.*
